

2024 SW Regional FIRE Fellowship | Oct. 21-23, 2024

— FOUR PREACHING SESSIONS ARE OPEN TO THE PUBLIC —

Faith Community Church is pleased to host an upcoming SW Regional FIRE Fellowship, October 21-24. This year, there will be four preaching sessions open to the public on Gospel Freedom in Galatians 5. Consider attending! There is no admission fee.

For those who may be unfamiliar, FIRE (The Fellowship of Reformed Evangelicals) is a unifying network for independent Reformed (and Reforming) baptistic churches. This body fosters mutual edification, fellowship, cooperation and prayerful support in ministry and missions among its like-minded members. Regional and International Fellowships occur at various times and locations during the year as a means to encourage the pastors who shepherd these churches.
